Biography

Bianca d'Est attended the meeting of the mages called by Yennefer, who tried to unite the North in the fight against Nilfgaard. At the banquet, when Yennefer introduced the familiar mages to Geralt, Bianca was in the company of Tissaia de Vries and Vilgefortz.

Later, she was considered a traitor so she was captured and chained together with the other mages who were possibly served Nilfgaardian. She was one of the many victims who fought and died during the Thanedd coup.
